RANDY

*To look at Randy you would not know the abuse this poor dog endured before we rescued him. The kill shelter said Randy was not adoptable, he was just taking up space and had already been there longer than allowed, and would be euthanized if we didnt take him. We found him a "foster home" in the country and it was a dream come true for Randy. He quickly made friends with 2 other dogs, Casey and Faye, together they enjoy a huge fenced in back yard! All Randy needed was patience, time and love. He became trusting, sweet and so beautiful. The foster became his permanent home, they love him so much and could not bear to part with him. He is extremely happy and content in his caring and spoiled forever home.*

ASHLEY

*With her elegant coat of grey, Ashley is a sweetheart. She was given up by her first family because they had to move. She is now in her forever home where she is loved dearly. She has a huge screened in porch and enjoys spending lots of time basking in the warmth of the sunshine with her kitty pal - they are inseparable. She has now found happiness and so much love - for always.*

CASEY

*Casey was found in a horrible situation. He was tied outside with an imbedded collar and he was terribly thin. Casey is one of a kind and the most gentlest, loving sweetheart of a dog you could ever meet. Casey now lives with Faye and Randy, his dog buddies, out in the country with a huge fenced in yard to run and play in. They all enjoy winter days curled up in front of a warm fireplace, being loved and spoiled as they should be!*

*Yoshi began his life as a gorgeous buff color kitten who was rescued at the last minute from a tough situation. He is now all grown up and living with a beautiful couple, spoiled as ever with 2 Rottweiler mixes, each over 100 lbs., that he adores - he's a very happy, loving and affectionate cat.*

MYA

*Mya is so gorgeous, she's very young and has so much life to live, she's just a puppy. She was almost euthanized! We rescued her from a kill shelter at the last minute. Mya has a huge fenced in yard to run around and play in and she loves the other dogs she lives with, who welcomed her with open paws. She too is spoiled, loved and so very happy to be alive.*

*Sweet Pea is a beautiful girl with gorgeous green eyes. She was found outside in the woods when the temperature was just 10 degrees! She is so loving, so affectionate, so everything, she drools when you brush and pet her. She lives in a wonderful warm home never to feel the cold again and is loved, spoiled and held every day and told how much she is dearly loved.*

She was rescued from a kill shelter in Connecticut and it's hard to imagine that her time was almost up. She and her buddie Tucker, who welcomed her into "his" home immediately, are best buddies. Shelly's owners love, spoil and adore her every single day of her life.*

She is still getting over her fears and is shy when you first meet her, but soon you get to see her wonderfully playful personality! She loves her toys and especially loves to sit on the back of the couch taking in the sun and watching the birds. Her new home spoils her every single day with love and attention.*

*Blaze came from a home where he lived in the basement and was just about to be abandoned, he was shy and afraid. After we rescued him and found him a wonderful, loving and special home, he has thrived and has come to trust his new family. They truly spoil him; and he surely deserves it. He is no longer shy and afraid but playful and friendly. He has 2 other cats he lives with that have become his close buddies.*

**KATIE, CHEYENNE & BRANDI**

*Katie, on the left, was saved from a home where she was being nearly starved, she now gets all the meals and love she wants she is wonderfully spoiled and loved. Cheyenne, in the middle, is the most loving, affectionate, friendly sweetheart of a dog you will ever meet. She licks and kisses everyone. She is the happiest most well behaved & loving dog ever. Brandi, on the right, was saved at the last minute from a kill shelter, she has the same wonderful temperament as her other best buddies and is spoiled and loved constantly. Brandi may be short in size but big in kisses and licks. Together they are best friends and share their home with another dog, Bessie, a cat named Shadow and a wonderful loving couple who adopted them all! Katie, Cheyenne, Brandi & Bessie enjoy the freedom of a huge fenced yard where they run and play and enjoy being dogs!*

SASHA

*Sasha was an absolutely gorgeous long haired kitten at the time she was rescued from a kill shelter. She was very shy and scared at first but she has grown up with a loving couple and found happiness in a home with several other cats and lots of cat condos! She enjoys her independence as well as being petted and loved.*

# Thank You All!

I would like to thank every single one of our fabulous hard working volunteers who spend so much of their own time and funds to help Pet Protectors and our animals.

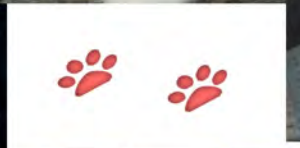

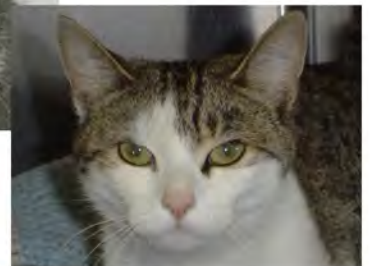

And to all the wonderful forever homes our precious animals have been adopted to - thank you for giving these beautiful animals a second chance and happiness they never knew existed.

Thank you everyone for your continued support and donations and because of that we are able to continue rescuing and saving many more lives -
